Profile

Danny is a co-founder of Preiskel & Co and has well over 20 years' experience working in the telecoms, media and technology sectors, advising across the globe. He has been ranked for over 20 years in major independent research guides as one of the world's leading communications lawyers. He is

particularly recognised for his international commercial and regulatory work in the telecoms sector.

Skills

Daniel's practice includes:

- Advising companies throughout the telecommunication ecosystem, including MNO's, MVNO's, resellers and hosted telephony providers;
- Advising on satellite and net neutrality regulation;
- Advising IoT/M2M, handset manufacturers, mobile data clearing houses, telecoms data centres, minutes' exchanges, and satellite providers;
- Advising governments and industry associations including: ISPA, ITSPA, MEF, FCS, as well as the Spanish Chamber of Commerce;
- Advising communication providers on GDPR, data retention and privacy, surveillance and interception and encryption issues;
- Advising clients on international acquisitions, investments, and telecoms privatisations;
- Advising on cloud issues and software service agreements, including a recent agreement for BBC Worldwide.

Professional experience

- Head of TMT at two international City law firms
- Investment banker at Deutsche Morgan Grenfell's telecoms team
- Senior Partner at Preiskel & Co LLP (2004-Present)
