Profile

Jennifer Beckage is a seasoned technologist and lawyer focusing on data security, privacy, and technology. She is counsel to some of the globe's largest organizations, brands, not-for-profits, celebrities, high-net-worth individuals, and Fortune 100 companies. Her firm, The Beckage Firm is distinguished as one of only a handful of US law firms certified as a BreachCoach© to work on data breach matters and was named Cyber Law Firm of the Year at the Cyber Risk Awards USA 2024 presented by Intelligent Insurer.

Jennifer's experience has garnered her peer recognition as one of the Top 50 Data Breach Lawyers in the US (eight consecutive years). Jennifer has also been recognized by Best Lawyer© and SuperLawyer© multiple years in a row and has been a finalist for Cyber Risk Industry Person of the Year (attorney category) at the Zywave Cyber Risk Awards in 2023 and 2024. She has defended clients in the world's largest data security and privacy class actions, civil litigations, and regulatory investigations.
